[Verse]

```
    Em G       D C
Hello, it's me.
    Em        G            D              C           Em  G       D   C
I was wondering if after all these years you'd like to meet, to go over   everything
              Em            G            D          C
They say that time's supposed to heal you, but I ain't done much healing.
  Em   G       D       C
Hello_o, can you hear me?
    Em        G          D            C          Em   G       D   C
I'm in California dreaming about who we used to be when we were younger    and free.
        Em          G          D          C
I've forgotten how it felt before the world fell at our feet.
```

[Pre-Chorus]

```
            Em       D  Bm    C
There's such a difference between us
    G   D     C    (C)
and a million miles.
```

[Chorus]

```
Em            C       G   D
Hello from the other siiiiiiiiiiiide,
  Em          C       G      D
I must've called a thousand tiiiiiiiimes
        Em    C         G             D
to tell you I'm sorry, for everything that I've done,
          Em     C    G         D
But when I call you never seem to be home.
Em         C    G    D
Hello from the outsiiiiiiiiiiiide,
    Em         C         G    D
At least I can say that I've triiiiiied
        Em    C         G         D
to tell you I'm sorry, for breaking your heart
          Em          C       G       D      Em (das Em gehört zum Instrumental Part)
But it don't matter, it clearly doesn't tear you apart anymore.

        Em        G               D            C
