

Boy - Skin

Intro: Em C G D

Em C G D
All day long she's waiting for the night to ask her out

To be somebodies dancer to get lost inside a crowd
Em C G D
But there's no need to talk because the music is so loud
Em C G D
Till a taxi drives her back into a morning full of doubts

Chorus

Em
You can feel like part of something
C
If you're part of the scene
G
You can make your life so pretty
D
And a little Ice and Gin
Em C
Wash off the make up and prepare the aspirin
G
You can get out of this party dress
D Em C G D
But you can't get out of this skin

Em C G D
His home is where his heart is, at the parties that he roams
Em C G D
He tells himself he can't be lonely, cause he's never on his own
Em C G D
But all the friends he makes at night, in the morning they're all gone
Em C G D
And he's left with his four walls, his aching head, his silent phone

Chorus

Em C G D
All day long she's waiting for the night to ask her out

To be somebodies dancer~~~
