

# Ed Sheeran - Shape Of You

Original: Capo: 2. Bund

[Intro]

2x Bm Em G A

[VERSE]

The club isn't the best place to find a lover so the bar is where I go  
 Me and my friends at the table doing shots, drinking fast and then we talk slow  
 Come over and start up a conversation with just me and trust me I'll give it a chance now  
 Take my hand, stop! Put Van the man on the jukebox and then we start to dance and now I'm  
 singing like

[PRE-CHORUS]

Girl, you know I want your love  
 Your love was handmade for somebody like me  
 Come on now, follow my lead  
 I may be crazy, don't mind me, say  
 Boy, let's not talk too much  
 Grab on my waist and put that body on me  
 Come on now, follow my lead  
 Come—come on now, follow my lead Mmmh Mmmh Mmmh

[CHORUS]

I'm in love with the shape of you  
 We push and pull like a magnet do  
 Although my heart is falling too  
 I'm in love with your body  
 And last night you were in my room  
 And now my bedsheets smell like you  
 Every day discovering something brand new  
 Well I'm in love with your body
