[Verse2]

Staring at the ceiling in the dark
Same old empty feeling in your heart
Love comes slow and it goes so fast
Well you see her when you fall asleep
But to never to touch and never to keep
Because you loved her to much
And you dive too deep

[Chorus]

Well you only need the light when it s burning low
Only miss the sun when it s starts to snow
Only know your love her when you let her go
Only know you've been high when you're feeling low
Only hate the road when you re missin home
Only know you love her when you've let her go

And you let her go
Ooooo ooooo ooooo
And you let her go
Oooooo ooooo ooooo
And you let her go
