[INTRO]

2x Bm Em G A

[VERSE]

The club isn't the best place to find a lover so the bar is where I go
 Me and my friends at the table doing shots, drinking fast and then we talk slow
 Come over and start up a conversation with just me and trust me I'll give it a chance now
 Take my hand, stop! Put Van the man on the jukebox and then we start to dance and now I'm singing like

[PRE-CHORUS]

Girl, you know I want your love
 Your love was handmade for somebody like me
 Come on now, follow my lead
 I may be crazy, don't mind me, say
 Boy, let's not talk too much
 Grab on my waist and put that body on me
 Come on now, follow my lead
 Come—come on now, follow my lead Mmmh Mmmh Mmmh

[CHORUS]

I'm in love with the shape of you, We push and pull like a magnet
 Do, Although my heart is falling too, I'm in love with your body
 And last night you were in my room, And now my bedsheets smell like you
 Every day discovering something brand new, Well I'm in love with your body
