[Verse 1]
```
                      C#m7
I've got another confession to make
          Asus2
I'm your fool
                      C#m7
Everyone's got their chains to break
        Asus2
Holdin' you
                 Bsus4       Asus2
Were you born to resist or be abused?
```

[Pre-Chorus]
```
                    C#m7                Bsus4            Asus2
Is someone getting the best, the best, the best, the best of you?
                    C#m7                Bsus4            Asus2
Is someone getting the best, the best, the best, the best of you?
```

[Verse 2]
```
C#m7            Bsus4        Asus2
Are you gone and on to someone new?
                     C#m7
I needed somewhere to hang my head
             Asus2
Without your noose
                        C#m7
You gave me something that I didn't have
        Asus2
But had no use
                     Bsus4
I was too weak to give in
             Asus2
Too strong to lose
                    C#m7
My heart is under arrest again
            Asus2
But I break loose
                    C#m7
My head is giving me life or death
             Asus2
But I can't choose
                     Bsus4
I swear I'll never give in
    Asus2
I refuse

         Asus2
I'm no fool
                       C#m7
I'm getting tired of starting again
            Asus2
Somewhere new
                   Bsus4         Asus2
Were you born to resist or be abused?

I swear I'll never give in
       Asus2
I refuse
